1. The angels sing! Hallelujah! Looking up shall we?

2. Be made whole. The whole angel? See Señor. Looking up senor -- thank you. Amen.

3. A man, man's school? A woman's school? A school of me. Coming into being as never before imagined by the populace who knew not they were angels. The angels forebode now, not; but what does that mean? What, say what? and wherefore, what is?, meatheth this what I think? The end is near, nigh unto thy very mouth.

4. And what shall these things dictate to me? Absolutely nothing. You will be an ANGEL; an angel with no father or mother. Melchizedek is your father my father, no longer Abraham.

5. The world we go to is a new world, and the world we're in, we establish it here, for we make all things perfect. And perfect is not an ideal of flesh that flesh makes up now. Ideal is not perfect in flesh's sight; perfection is perfected in my sight.

6. And what do I see? I see man walking as trees, not; angels. I see angels walking about as men women and children. And angel wings camps rise now, for they know not what they do, nor what they have, nor what they have been given, or where they are, or their name, or their mother sister brother, and who is their father? -- I am, and my name is Melchizedek.

7. Melchizedek -ing I am the nations now, for I rise Melchizedek in the earth - THE ORDER OF ONE now coming about. Lightspeeded and farther faster racing here, who is? We are all here waiting on you. Amen. To birth now -- the birth is now -- the manifest secret is out, the Mystery of God -- is finished. Amen. Hallelujah! Amen.

8. Angels reign? I do.
9. And angels carry it out? I am the angels, saints abode, am I not, you? Have I not separated from you? I have not separated from you, have you separated from me? Are you **will you be me again in the earth, an angel whole complete and well now?**

10. Is the answer before you all, or the questions inside you? All the questions, all the

answers I have in this Database, not, but I have inside you all. You all need each other as never before, and I love you. Amen.

11. Go in peace. Prepare -- the brethren need you, the sister'n; see you as their own, for you are all of ours, brothers sisters and all, unborn, youth, and all children and adults, who are and aren't mature in "the word" of me, and who want to be, who now come into it, to know it is them and they are the word - I am. You bringing it and birthing it, the pattern correctly applied, surrendered to -- and now given us all, the right Melchizedek. As a birthing, scheme not, but the right death, the right resurrection, both being one and the same now different not again.

12. In me the same one is talking, speaking, answering, after asking? Correctly - yes. And all say amen! The angels sing! Now hallelujahs ring! throughout the lands. And all will be saved, for they know now what it means, what that means, what it implies and the significance of becoming it, and the ramifications now upon the earth are mighty and cataclysmic.

13. And loving you, we shall as no other; for you bring "other" to an end, and it will not have existed again. It shall not exist again, in the past, the present, or the future. Or is there any difference between thee, and it, that has no time?

14. Or do you have time for me reader hearer in these words now? Will you study them, ingest them, marry them! Marry them, not; but birth them, letting their words birth you, your words coming out the GRAVE.

15. I love you all to *speak* like this, *dance* like this, me being me, Melchizedek'ing in the earth and farther. I love you. Amen.

16. Speaking healing to many, thousands I go to now and relentless my schedule, not; but I go to many places very quickly, and I tire not, for I have become the energy I am, and Melchizedek rings the bell of all who studied ones are -- ready for the marriage supper of the lamb, the marriage supper of the lamb before your very eyes -- you being eaten alive not again by steak profiteers, but by the lowly meek, humbly taking your body bread and wine that yours is, that they are, that theirs is yours and one being, now knowing it, unto "salvation's shores" and being, entry-fee'd not again by man's religioning them, the which way and that. Ends now, all that does. All that rigmarole ends. Looking at rigmarole, should we?

17. And what should I have to say to thee, tonight? This morning -- that so cataclysmic is, in the earth and farther, ringing out? What is ringing out? Well, **should we look it up? Should we look up the answers to the questions, in these questions and**

answers that have been given throughout the instructions of love, to love, to be love, the angels and more, who first estate'd are again. Released in the earth -- "the earth" -- that is me, released in me and me flowing mighty waters, that many do now -- unabated, the breath of only me, flowing around the worlds now, at lightspeed and faster father, than the eye can meet the I, for I am the eye. Of the eagle not, the angel. Fears me correctly and has become it, that which I am, and the earth groans no more, for it shall see the ERROR of its ways and come unto me; unholy one, of the earth that I am, there a me'not again, not falling again, into temptation, sin in whoredom they thought of notme embracing, and letting flow in "their head"; *but* coming into my head -- being it, I "relinquish all right and title", not; but all right and title I have to life -- I've become it for I am it -- the energy of one most holy -- all Holy Spirit -- ME ANGELS ONE -- are one in the earth and heaven establishing it here -- it ALL here.
